**Future Houston Section Holiday Celebration**

**FUTURE IEEE HOUSTON SECTION HOLIDAY CELEBRATION: KEYNOTE SANDRA L. "CANDY" ROBINSON**

**Registration Highly Recommended**

Tis is the Season for IEEE, the IEEE Houston Section cordially invites its members, future members, family, and guests to our Holiday Celebration meeting on Thursday, December 7, 2017. This annual meeting will be celebrated at the United Way Greater Houston facility. A special door prize will be given to the best Ugly Sweater winners.

We also will be taking time out to say thank you to our Corporate partners that have supported the IEEE Houston Section Socials and Communities in a number of volunteer and community outreach activities. This year we are thankful to:

- Aramco Services Company
- CenterPoint Energy
- Jacobs Engineering
- Peli Peli's, known as South African Fusion, which features authentic South African delicacies along with American steak, chicken and seafood favorites prepared by Chef Paul Friedman's South African style. This style includes merina, seafood, and Asian influences.
- As seen on the Food Network and CNBC's Restaurant Startup
- Rated Top 10 in Houston's Tripadvisor to Yelp
- Best Restaurant Winner - 2017 Menu of Menus (Houston Press)
- 2017 People's Choice Award Winner - Greater Houston Restaurant Association

Tis years holiday meal will be catered by Peli Peli.

**Program Overview**

We are at a crossroads with regard to the threat environments in which we operate. In order to be a relevant actor in global security, a nation must build and sustain military capabilities that can win today's conflicts and look ahead to 2018 and beyond.

**Biography:**

Candy Robinson is currently a Software Engineer Manager for Lockheed Martin, assigned to the F-35 program. She worked as a design and software engineer for Lawrence Livermore National Laboratory’s Superconducting Super Collider Laboratory, and for the Boeing Company.
