Search Events – cont’d.

Click here to go to old Search.

Select "Upcoming", "Recent", "All" to find events.

Select an Organizational Unit using the selection tools that appear below when clicking on this text field. When selecting a region or a section, events for their subunits will also be included in results.

Search Term will search in event title, description, and keywords and in host organizational unit(s) name and SPOID/geocode.
“Upcoming Events” results include registration information, if available.

Search Events – Filter Results

- **Search Term**: Searches event title, description, and keywords as well as organizational unit SPOID and name (check 'Exact' to require an exact match).
- **Event Category**: Filter results by Society/Affinity Group.
- **Region**
- **Society**
- **Section**
- **Event Date & Time**
- **Virtual?**
- **Before**
- **After**

**Society/Affinity Group** searches – use codes such as 'C16', 'COM19', or 'Young Professionals'. Take care when specifying both Society or Affinity Group and Region/Section/Organizational Unit search parameters.

**Narrow results by selecting dates**

Click on **"Recent Events for my Section"** to find events for your organizational unit and report information.

Click on **"Upcoming Events for my Section"** to find events for your organizational unit as shown.

**Download results as CSV**

**Event Date & Time**

- **Recent Events**  |  **Upcoming Events**  
  
  - **After**
    - 31 Dec 2016 11:55 PM
    - **Before**

**FUTURE IEEE HOUSTON SECTION HOLIDAY CELEBRATION: KEYNOTE SANDRA L. "CANDY" ROBINSON**

**Registration Highly Recommended**

Tis is the Season for IEEE, IEEE, IEEE, the IEEE Houston Section cordially invites its members, future members, family, and guests to our Holiday Celebration meeting on Thursday, December 7, 2017. This years meeting will be celebrated at the United Way of Greater Houston facility. A special door prize will be given to the best Ugly Sweater winner.

We will also be taking time out to say thank you to our Corporate partners that have supported the IEEE Houston Section Societies and Communities in a number of volunteer and community outreach activities. This year we are thankful to:

- Aramco Services Company
- CenterPoint Energy
- Jacobs Engineering

Tis years holiday meal will be catered by Peli Peli.

Peli Peli’s cuisine, known as South African Fusion, which features authentic South African delicacies along with American steak, chicken and seafood favorites prepared by Chef Paul Friedman’s South African style. This style includes merinares, succosage, and goat cheese.

- As seen on the Food Network and CNBC’s Restaurant Startup
- Rated Top 15 in Houston Tripadvisor Yelp
- Best Restaurant Winner - 2017 Menu of Menus (Houston Press)
- 2017 People’s Choice Award Winner - Greater Houston Restaurant Association

**Program Overview**

We are at a crossroad regarding the threat environment in which we operate. In order to be a relevant actor in global security, a nation and its industrial base must build and sustain the key competencies in Air Power. The F-35 redlines the multi mission aircraft. The features and current status of the fighter will be given at the event.

**Biography:**

Candy Robinson is currently a Software Engineer Manager for Lockheed Martin, assigned to the F-35 program. She worked as a design and software engineer for Lawrence Livermore National Laboratory, the Superconducting Super Collider Laboratory, and for the Boeing Company. She has published papers at the IEEE Nuclear Science Symposium and for the IEEE National Convention. She earned a BSEE degree from UT Austin, an MSCS degree from UCDavis, and an MBA in Engineering and Technology Management. She is a member of the IEEE-USA President-Elect, to be President in 2018.
